

MARCH | 2021

MENTORSHIP SPOTLIGHT

We are off to a great start with our Nurse PACT Mentorship 2021 program! We are so happy to hear of each member's connection with their mentor and mentee. Whether it's by phone, text, DMs, or in person, each pairing is taking the time to build a foundation that will last a lifetime. **Danielle, ICU RN & her mentor Tammy, CCRN** (pictured right) were able to safely meet for lunch and share their hopes and goals for their partnership. We appreciate everyone's creativity and dedication to making these connections possible.

March is WOMEN'S HISTORY MONTH #HERSTORY

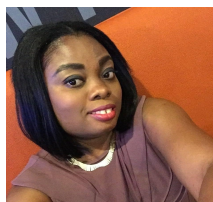

First and foremost, thank you for committing to the mission of Nurse PACT. With your support, you've already contributed to the success of future nurses. You are a part of nursing history. What fitting timing for Women's History Month. More than 100 years ago, women fought and demanded the right to vote. This past election was a record turnout for all voters, and we know that women were a key figure in this monumental event.

Nurse PACT supports the voice of women, who make up over 90% of registered nurses in the country. We encourage all members of Nurse PACT to acknowledge the sacrifice and contributions that women have made to build and sustain the nursing profession. We've recommended a ***dialogue spark*** - an interesting or relevant book, movie, or event to start a conversation within your community. This month, we focus on the documentary **"All In: The Fight for Democracy"**, which features change-maker Stacey Abrams, the first African American governor nominee, lawyer, and activist, among other firsts.

The connections and stories we are hearing from each mentorship match is inspiring and encouraging. The core value of our organization is to support and uplift each other in our careers. We look forward to hearing each member's accomplishments and ideas for the future. Please continue to spread the message and mission of Nurse PACT.

MEMBER SPOTLIGHT

Congratulations to
Vennecia Crawford, RN
on securing her first job as a
registered nurse!

NEWS & ANNOUNCEMENTS

FOOD DRIVE COLLECTION

Nurse PACT has initiated a food drive collection for the month of March to support those affected by COVID. If you would like to lead a collection at your hospital, school, or place of business, please contact

Cynthia Luna
